The breakfast meet in November was somewhat lower in attendance than usual but that didn't detract from the four who did attend enjoying the bacon and egg sandwiches on freshly baked brown bread provided by Kay at Ansty PYO. Our well attended club afternoon two days later was an illustrated talk on Europe's Largest Autojumble, Veterama, held each year at the Maimarkt in Mannheim. As well as numerous photos of BMWs, Zundapps, and Harley Davidsons there were many more on lesser known makes such as Wanderer, Yale, FN, Victoria and Flying Merkel. The Christmas Raffle, organised by Rachel Gray, featured as first prize an extensively stocked Christmas hamper. We have a breakfast meet on 11th January and our AGM on the 13th followed by not one but two quizzes, one from Frank Cropp and the other from Section President Bette Barber (which will undoubtedly be full of double entendre).
